This week's guest speaker:

## Richard Mulvaney

Director QVMAG

Richard Mulvaney has been involved with museums for all his working life. After completing his Graduate Diploma in Museum Studies in Melbourne in 1983 he worked at the Australian War Memorial and Australian Institute of Aboriginal Studies in Canberra and then Sovereign Hill in Ballarat. In 1989 he became the founding director of the Bradman Museum in Bowral, NSW. He is now director of the Queen Victoria Museum and Art Gallery.

## Caro Brown, Paul Harris Fellow

On Friday evening, Caro Brown was awarded a Paul Harris Fellow from RC Longford. In awarding the PHF, RC Longford acknowledged Caro's support to DG James Wilcox over the past 18 months and her effort in supporting their Club with the District Conference. Caro was awarded the PHF together with District Conference Chair, Dennis Dwyer. DG James was quite emotional in awarding both Awards to the recipients and to say that Caro was 'speechless' is an understatement. As you may recall, Caro was a recipient last year from our Club, so this Award means that she now is a multiple PHF recipient and so, she now has a new PHF 'sapphire pin'.

## International Service

The RAWCS (Rotary Australia World Community Service) Rotahomes project is an ongoing project to build low cost housing to alleviate subhuman living conditions for impoverished families in Fiji. Volunteers working with the community residents have built 705 homes in country areas and 111 homes at Koripita community in Lautoka.

The project has two distinct focuses, providing cyclone proof homes and providing a comprehensive community development program. This is the third time that Tamar Sunrise has had volunteers assist in this project. Current members Peta Dolan and Lou Mason have been volunteers for K1 (the first town) where 85 homes were built. This year, we will have three members (Caro Brown, Peta Dolan and Melissa Carlton) working on K2 which will involve the construction of simple timber framed and steel clad homes each with a kitchen/shower and toilet block.

We also hope to provide support for the community program in Koripita while we are there. More on this at our meeting next week.
